**Creek Commissioner to Lead Forum on Coconut Creek Casino Development**

Coconut Creek, FL – Coconut Creek Commissioner Lou Sarbone will lead a Community Forum on July 9, 2009, 7:00 PM, to discuss the impact of the proposed Compact agreement between the State of Florida and the Seminole Tribe of Florida and the effect of Class III gaming as it relates to the Coconut Creek Casino. The Forum will be held in the Commission Chambers (adjacent to City Hall) located at 4800 West Copans Road.

Governor Charlie Crist recently signed a legislative bill that provided the format for the development of a Compact with the Seminole Tribe regarding their gaming facilities throughout the State of Florida. Coconut Creek is one of the locations that will be impacted by the extension of Class III gaming. Class III is often referred to as Vegas style gaming.
